

A night sky with the Milky Way galaxy visible over a desert landscape. The sky is dark blue with numerous stars and the bright, hazy band of the Milky Way stretching across the upper half. The foreground shows a desert with sand dunes and some dark, scrubby bushes under a clear night sky.

Go beyond the stars

CIMA A-star programme

You were an A-star university student so we're delighted to invite you to join our exclusive CIMA A-Star Programme for high achievers. It's a unique ONE exam pathway for you to become a Chartered Global Management Accountant (CGMA[®]) designation holder. CGMAs are valued by employers around the world for their skills and competencies to drive strong business performance.

Tailor-made for top graduates like yourself, you will attend an intensive workshop conducted by lecturers certified to teach the CIMA A-Star Programme in helping you to prepare for the CIMA Strategic Case Study exam. After passing this exam and upon gaining at least three years of relevant work experience, you will apply for CIMA membership and become a CGMA in no time!

Who can apply

This program is open to all University Parahyangan's Bachelor Degree (S1) students and alumni in Accounting, with the following requirements:

- You have GPA more than 3.50
- You are in the final year or have left the university less than 5 years ago

What's in it for you?

1. One exam away from becoming a CGMA designation holder (exempted from 15 exams)
2. Recognition by employers around the world
3. Enhanced strategic and analytical thinking skills
4. More opportunities to work outside the country with the CGMA designation
5. As a CGMA, receive lifelong support for your career progress through Continuing Professional Development.
